A big thanks to all who brought healthy snacks for our CCD kids. They loved all of it and were so appreciative of all the delicious options you all brought. THANK YOU!

Now, if I may make one more request, we will be doing **our annual spring planting this Wednesday**. We will need some annuals to put in the ground so if you are out and about and wouldn't mind picking up some petunias, geraniums, moss rose, etc. for us, that would be great. **Any donations can be left in the garage at the rectory**. I'm sorry for the late notice for this request, but it just slipped my mind until now. Anyway, thank you in advance for any contributions made and expect to see the church grounds looking a little brighter after Wednesday!

Thanks!  
Marnie
